Thanks, Jill. The stated basis for approving the list is in the decision document statement.

Hey Lori,

Thanks for doing this. I'll take a closer look at the text tomorrow and fill in the holes. I responded to a couple of your comments in the attached, asking for some clarification. I think what you wrote is right on for how I feel it should be, but am not sure it has a strong enough point that someone would read it and say, "oh yeah, right there, that's why they approved not listing it."
